There is plenty of experience to guide anyone who hasn't tried this before. Instrumentalists are encouraged to bring their instruments, singers their voices, and listeners their ears for an exploration of why music has the power to be simultaneously playful, happy, sad, angry and inspiring. Jeff signed his first recording contract with Mercury records at the age of 18 and was educated at Binghampton University and Julliard. He has spent 4 decades as an entertainer and teacher, toured Europe and the US and is delighted to be visiting England again! Course finishes 1.00pm Friday.
